

The 10th International Congress on Logistics and SCM Systems

SECOND CALL FOR PAPERS SECOND CALL FOR PAPERS SECOND CALL FOR PAPERS. SECOND CALL FOR PAPERS

The dateline for submission has been extended until December 15, 2014 due to numerous requests.

Following the successful 9th Congress held at Poznan University of Technology, the Board of the International Federation of Logistics & SCM Systems is pleased to announce that **The 10th International Congress on Logistics and SCM Systems (ICLS 2015)** will be held in Chiangmai, Thailand during 1-4 July, 2015. The Asian Institute of Technology is the lead organizer.

The Congress aims to provide an international forum for leading academics, researchers and practitioners to discuss and exchange ideas on the latest developments and to seek opportunities for collaboration among the participants as well as to promote excellence in the field. Papers will represent the latest in academic thinking and successful case examples. The Congress invites papers from researchers, educators, modelers, software developers, users and practitioners. The Congress encourages contributors to address a topical theme that is very relevant for the region: **Toward Sustainable Logistics & Supply Chain Systems.**

Submissions:

Abstract or full paper submissions should be made electronically via the website ICLS2015.org. A submission should include abstract of no more than 350 words, and a separate cover page, clearly indicating title, focus topics, name(s) of author(s), affiliation(s), and email address(es), and the full contact information of the corresponding author, including mailing address, telephone and fax numbers, context and keywords. Full paper should follow the format of the congress. Submission must be made electronically in Microsoft Word format. Please do not submit hard copy for review.

Publication

All accepted paper will be published in Springer Verlag Manuscript. In addition, some selected papers after the conference will be invited for publication in the “International Journal of Logistics and SCM Systems” (The official journal of IFLS) after the conference.
